

Friends of Hampden Park

Our aim is to maintain, improve, restore and enhance the park. We are highlighting the vital role of green spaces in boosting the health and well-being of residents and the community.

We hope to enhance your experience when you visit our beautiful park, whether you walk around the lake and surrounding woodlands, use the play and recreational facilities, sport and open spaces, or simply rest and relax on one of the many benches.

We engage with Eastbourne Borough Council and other government bodies for the management, maintenance and development of the park and gardens. We do everything we can to make the park a safe and pleasant place to visit.

We are also working to enhance and preserve flora and fauna, play and recreational facilities, and the park's proud heritage.

Our committee holds regular meetings to discuss new proposals, ideas and matters of concern, so we can provide feedback to members and keep them informed of our plans and progress.

You do not have to live in Hampden Park or Eastbourne to join us. Members are encouraged to get involved by taking part in decision making, choosing projects, social gatherings, and supporting fundraising events.

Our Annual General Meeting takes place April. We hope to produce a quarterly newsletter with updates on our progress, future social and fundraising events, and any other news relating to the park and gardens.

The annual subscription fee is £5.00. If you would like to join a growing group of friendly and enthusiastic individuals please fill out your details on the reverse of this leaflet.
